

MARKET QUOTATIONS

RAILROAD STOCKS AGAIN PROMINENT

Good Demand at Opening of Market Causes Further Advances.

NEW YORK, Dec. 7.—There was a good demand for stocks at the opening, causing further advances over the returns reported yesterday. The railway stocks were again prominent indicating the general diversion of the speculative and investment interest to this group.

CHICAGO, Dec. 7.—After a very wild market on the board of trade today, with prices of wheat showing ranges of 1/4 to 1/2 c. May wheat closed at 117 1/2 c., which was a net loss of 1/4 c. for the day and almost four cents under the high record for the crop established earlier in the season. December closed at 116 1/2 c., a net loss for the day of 1/4 c., and almost five cents under the high prices. On the hard spots there was heavy selling by commission houses which caused a rush of longs to take profits and prices sagged rapidly.

WILSON PROMISES TO ASSIST WOMEN

Tells Leader He Will Take Up Suffrage Question With Congress.

WASHINGTON, Dec. 7.—President Wilson Monday promised to take up the question of nation-wide woman suffrage with the leaders of congress. For the first time since deputations of suffragists have waited upon him at the white house, the president did not invade the issue by referring to states rights.

Receives 300 Suffragists. The president received Miss Frances Jolliffe and Mrs. Sara Bard Field and their escort of 300 of distinguished suffragists in the east room of the white house. His reception of the envoys was marked by his usual suavity of manner to which seemed to have added an unusual buoyancy. There was an indication, however, that he regarded the mission of the women as a matter of grave political importance. When the huge four-mile petition was partly unrolled before him the president seemed for a moment to be fascinated by the spectacle. He was visibly impressed by this concrete illustration of the tremendous voting power already in the hands of the women of this country. To judge by his demeanor he realized that the women are determined to use this power, if necessary, even against the administration.

Shows Voting Strength. In the course of her impressive appeal Mrs. Field said that the political party which put through the federal amendment enfranchising women would receive the support of the suffragists. On the other hand she intimated that the purpose of the mission was to impress upon the administration the fact that 4,000,000 women would withhold their votes from a political party which ignored the enfranchised women's demand for the ballot.

FOR BRONCHITIS, COUGHS, BRONCHIAL ASTHMA AND WHOOPING COUGH

Cheapest Remedy Made at Home—128 Teaspoonful for 25 Cents.

The first 300 persons calling at The American Drug Co. will be entitled to a regular 50c bottle of Schiffmann's New Concentrated Expectant for half price (25c) by presenting the coupon below, properly filled out. This is a new and excellent remedy an opportunity of trying it, in the treatment of Bronchitis, Whooping Cough, Croup, Severe Coughs, Colds and Hoarseness, to prove its merits, these druggists are willing to allow the public the profit which they would otherwise make and the proprietor is willing to lose money on the same so as to give them an opportunity of trying it, at partially their expense, knowing it will be found the best medicine ever used by anyone.

Even though not in need of a Cough or Cold Medicine at the present time, it will pay to buy now, as some such medicine is sure to be required before the winter is over, but this remedy cannot be obtained at less than full price again. Besides making this reduction, these druggists guarantee this remedy just the same as Dr. Schiffmann's famous Asthmador, and will return the money in every single instance if it does not give perfect satisfaction and even more—if it is not found the best remedy ever used for any of the above complaints.

This excellent remedy is sufficiently concentrated so that 50 cents' worth, when mixed at home, with simply one pint of granulated sugar and one-half pint of water (according to printed directions) makes a whole family supply (128 teaspoonful) while bottles of the old, regular, ready-made kinds, of doubtful merit, and without a guarantee, usually average 20 to 32 teaspoonful.

It is prepared from strictly harmless plants, contains absolutely no opium, morphine, or anything of the narcotic or injurious drug which do most cough remedies, and can therefore be given to children with perfect safety. It is pleasant to take and children are fond of it. Besides absolutely no risk is run in buying this remedy whatever, on the guarantee of the above, well-known, reliable druggists who will refund your 25c if it is not found the best remedy ever used.

If a neighbor or friend could be induced to divide and pay for half the quantity, the cost would thus only be about 12c to each.—Adv't.

Locomotor Ataxia

Be Healthy, Happy, Vigorous

In a very interesting article on Locomotor Ataxia, Dr. Henry C. Story says that drugs have practically no beneficial effect in these cases. He says that rest should be insisted upon, and there should be no worries or troubles. Plenty of fresh air and moderate exercise must be insisted upon, but overexertion is injurious. The use of tobacco and alcohol should be strictly forbidden, and overeating is dangerous, especially when the food is poorly assimilated. The food must be of the most nourishing kind, and the quantity and variety must be changed so that the patient will not lose his appetite. The most annoying symptom in these cases is the pain which at times is almost unbearable. Dr. Story says that he finds two Anti-kamnia Tablets repeated in an hour if necessary, gives prompt relief and rest to the patient. These Tablets can be obtained at all druggists in any quantity desired. Ask for A-K Tablets.

RUPTURE

Enjoy Good Health

RUPTURE—We have a cure for Rupture without resorting to a painful operation. We are the only reputable physicians in this line of work who will take such cases on a guarantee. You may deposit a draft in the First National Bank, or your Bank, instructing them to place same to our account after you have been cured. By doing this you are absolutely certain of a cure. If we were not perfectly sure of our work we could not do business in this way very long. We have adopted this plan because so many have been swindled by quacks and fakers. Not one of them will permit a patient to deposit his money until a cure has been made.

When taking our treatment, patients must come to our office once each week, and if they live nearby can return home and work during the intervals. WE DO NOT USE THE PARAFFIN WAX TREATMENT, AS IT IS DANGEROUS.

There is no pain accompanied to our treatment and we will also give you a written guarantee if at any time in your life you should ever be bothered in any way, shape or form whatsoever of Rupture, we will treat you absolutely free of charge. In other words this is your insurance the balance of your life against Rupture. Our fees are within the reach of every man and they are no more than you are willing and glad to pay for a cure.

EVERY DAY SOMEONE DIES FROM STRANGULATION, A HERNIA OR RUPTURE. Don't run the risk of a surgical operation, for every time a patient takes an anaesthetic for a surgical operation, he is taking his life in his own hands.

Again, if you are operated on you are required to be in the hospital for at least two or three weeks and, after leaving, it requires very near a year before you recover from the effects of same and after going through with this severe surgical operation and running the risk of your life, you are not guaranteed a cure.

Under our treatment you are positively guaranteed a cure, and you are not required to pay for same until you are cured, so don't run the risk and delay from being cured. Str. today. For all Ruptures, small ones one day and there is more danger of strangulation in a small one than a large one, and the longer you wait you are just postponing your case that much longer and allowing your tissues to break that much farther and you are further from a cure each day you postpone being cured.

We can cure your case without detaining you from your business, without putting you in bed, without any pain, and besides we guarantee our work and we will be through with your case and have you cured in very near the same length of time that you would be required to stay in the hospital if you were operated on.

We will accept any case of Rupture, Piles, Varicocele or Hydrocele and permit you to deposit a draft in the First National Bank, or your bank, made payable to yourself and instructing them to place same to our account after you have been cured. We are the only reputable physicians in this line of work who will take such cases on a guarantee. By doing this, you are absolutely certain of a cure. You have nothing to lose and everything to gain, and if we were not perfectly sure of our work, we could not do business in this way very long, but instead, have been doing so for years. We have adopted this plan because so many have been swindled by quacks and fakers; not one of them will permit a patient to deposit his money until a cure has been effected.

HOSTETTER'S Stomach Bitters

It is Nature's best aid in combating ailments of the Stomach and Bowels.

WAR UPON PAIN! Pain is a visitor to every home and usually it comes quite unexpectedly. But you are prepared for every emergency if you keep a small bottle of Sloan's Liniment handy. It is the greatest pain killer ever discovered. Simply laid on the skin—no rubbing required—it drives the pain away. It is really wonderful. Mervin H. Soister, Berkeley, Cal., writes: "Last Saturday, after tramping around the Panama Exposition with wet feet, I came home with my neck so stiff that I couldn't turn. I applied Sloan's Liniment freely and went to bed. To my surprise, next morning the stiffness had almost disappeared, four hours after the second application I was as good as new." March, 1915. At Druggists, 25c.—Adv't.
